

This is our Business

Creating work in Youghal

24th January 2012

2.00 – 4.00pm

The Mall Arts Centre,
Mall House,
Youghal

This event will showcase emerging entrepreneurial talent of Youghal area residents who in spite of the economic downturn, want to make it happen for themselves and their community.

LIZ CONNELLY is developing for the healthcare market, a biodegradable, waterless, disposable finger toothbrush for mouth care to reduce costs and save nursing time.

ZITA QUIRKE provides customised one-to-one coaching and support for self-employed, micro and small business that need technical assistance with computer programs.

SINEAD COLLENDER TIVY is developing a business for her creative imagination: gifts for all occasions, something unique and special to keep.

Personal And Social Development is something that we need not do alone. From training with Dr Tony Humphrey's (Diploma in Parent Mentoring, Higher Diploma in Relationship Studies), LYNDA KELLY facilitates creating change in ones own personal and social development as a positive step to a new beginning.

VIRGINIA SANDOVAL will use her extensive knowledge and experience with computerised accounts to help self-employed, micro and small businesses to save much needed time and money.

Join LAURA AND JOHN GRIFFITH at the Farm House for your next vacation. Experience a traditional Irish thatched cottage on the West Waterford coast, offering riding, sailing, and home-cooking lessons with produce grown on the farm.

LIJANA LATANAUSKAITE offers affordable counselling and psychotherapy is helping you to deal with

difficulties and distress in your life in caring and non-judgmental environment.

MAURA SMITH anticipates a valuable market for the sale of Free Range Eggs with new regulations coming into effect on 1st of January banning the sale of eggs from caged hens.

LEONARD MCCARTHY has a love of all kinds of music and would love to help people to enjoy collecting vinyl or CDs, all over again!

SEAN RUSSELL, Tree Rock Landscape Services operates for all stages from the initial concept to design and construction, right through to final project completion. Aimed at both the private and public sector, Sean has a fine eye for detail, design, safety, functionality, sustainability and respect for the natural and built environment.

ED MEADE, with extensive industry experience in procurement and supply, is developing a landscape management information system to ease the flow of data in the procurement process.

THE FRY FAMILY (ANDY, JOSHUA AND JAVAN) are offering eco-friendly kindling-delivered to your door saving you money while adding to a cleaner environment.

Zena Flavin wants to address the shortage of outlets for children's clothing in Youghal that results in many people having to go into Cork to purchase.
